"How fun.".Fallows took in the rest of the information from the screen. The changes that the computers had detected were tiny--the merest beginnings of a trend which, if it continued at the present rate, wouldn't approach anything serious for a month or more. With only another three months to go before the ship reached Chiron there was no cause for alarm since the rest of the pump-group had enough design margin to make up the difference even without the backup. But even so, there was little doubt that Merrick would insist on the primary's being stripped down to have its bearings reground, alignment rechecked, and rotor rebalanced again. They had been through that routine twice already in the three months that the main drive had been firing. That meant another week of working in near-zero g and klutzing around in heavy-duty protective suits on the wrong side of the stern radiation shield. Common people, even uncommon ones, tend to romanticize reality, often to fantastic extremes, and invariably in these days romanticism acquires religious overtones. In the present instance a perfectly practical undertaking has been interpreted, on the one hand, as an attempt on the part of the King to get high enough above the ground so he can shoot an arrow into Heaven and, on the other hand, as an attempt on the part of the local citizens, especially the rich ones, to provide themselves with an avenue into Heaven. The two interpretations have somehow intermingled and become one. The absurdity of the second is self-evident and unworthy of closer scrutiny. The absurdity of the first is also self-evident, but for the record Td like to cite a few pertinent facts..225."What ecological balance?" Song shot back. Issues are, in any case, more important than personalities, although there is a (small) section of fandom which sees in aesthetic or political disagreement nothing but personal squabbling motivated by envy. It's not for me to judge how good my criticism is; if enough readers think it's bad, and the editor thinks so too, presumably hell stop printing it although writing book reviews (except for places like the New York Times) is underpaid, overworked, and a labor of love. The problem is usually to recruit reviewers, not discourage them..of white tail as he sped off into the woods.
