To Diamond it was as if he held his future, his own life, his whole life, in his arms. Some people of great innate and trained power are able to find out the true name of another, or even to have it come to them unsought. Since such knowledge can be betrayed or misused, it is immensely dangerous. Ordinary people-and dragons-keep their true name secret; wizards hide and defend theirs with spells. Morred could not even begin to fight his Enemy until he saw his Enemy's name written in the dust by the falling rain. Ged could force the dragon Yevaud to obey him, having by both wizardry and scholarship discovered Yevaud's true name under centuries of false ones. sweet, familiar tune from the western coast, "Where My Love Is Going." The deeds and lays that tell of raids by dragons and counterforays by wizards portray the dragons as pitiless as any wild animal, terrifying, unpredictable, yet intelligent, sometimes wiser than the wizards. Though they speak the True Speech, they are endlessly devious. Some of them clearly enjoy battles of wits with wizards, "splitting arguments with a forked tongue." Like human beings, all but the greatest of them conceal their true names. In the lay Hasa's Voyage, the dragons appear as formidable but feeling beings, whose anger at the invading human fleet is justified by their love of their own desolate domain. They address the hero: Small islands and villages are generally governed by a more or less democratic council or Parley. In the evening he lay down on the ground and talked to it.
