The autumn sun was warm. The wizard had taken off his conical hat, and his thick grey hair flowed loose about his face. "I know you found that little patch for them to dig, but there's no more in that than a few drops. It's scarcely worth burning for so little. If you are to help me, and if I am to teach you, you must try a little harder. I think you know how." He smiled at Otter. "Don't you?". Gift was in the dairy, having finished the evening milking. She was straining the milk and setting out the pans. "Mistress," said a voice at the door, and she thought it was the curer and said, "Just a minute while I finish this," and then turning saw a stranger and nearly dropped the pan. "Oh, you startled me!" she said. "What can I do for you, then?". you know what we call him in the secrecy of his palace?". Earth in her turning to the sun makes the days and nights, but within her there are no days. Medra walked through the night. He was very lame, and could not always keep up the werelight. When it failed he had to stop and sit down and sleep. The sleep was never death, as he thought it was. He woke, always cold, always in pain, always thirsty, and when he could make a glimmer of the light he got to his feet and went on. He never saw Anieb but he knew she was there. He followed her. Sometimes there were great rooms. Sometimes there were pools of motionless water. It was hard to break the stillness of their surface, but he drank from them. He thought he had gone down deeper and deeper for a long time, till he reached the longest of those pools, and after that the way went up again. Sometimes now Anieb followed him. He could say her name, though she did not answer. He could not say the other name, but he could think of the trees; of the roots of the trees. This was the kingdom of the roots of the trees. How far

does the forest go? As far as forests go. As long as the lives, as deep as the roots of the trees. As long as leaves cast shadows. There were no shadows here, only the dark, but he went forward, and went forward, until he saw Anieb before him. He saw the flash of her eyes, the cloud of her curling hair. She looked back at him for a moment, and then turned aside and ran lightly down a long, steep slope into darkness..the winter long, out on the high marsh..in himself for his mastery of them. It took them a long time. There was a rivalrous spirit in him that made him look on any power he did not have, any thing he did not know, as a threat, a challenge, a thing to fight against until he could defeat it. There are many boys like that. I was one. But I was lucky. I learned my lesson young..NEONAX NEONAX NEONAX. These might have been the names of stations, or possibly of."So the vulgar call it, or quicksilver, or the water of weight. But those who serve him call him the King, and the Alking, and the Body of the Moon." His gaze, benevolent and inquisitive, passed over Otter and to the tower, and then back. His face was large and long, whiter than any face Otter had seen, with bluish eyes. Grey and black hairs curled here and there on his chin and cheeks. His calm, open smile showed small teeth, several of them missing. "Those who have learned to see truly can see him as he is, the lord of all substances. The root of power lies in him. Do you know what we call him in the secrecy of his palace?".stone tower."Thank you," I said, "not for me. . .". "Not in your father's house, Di.".The old wizard stood there. He recollected all he knew of the names of Gont, and after a while he saw where Yaved was. It was the place where the ridges parted, just inland from Gont Port; the hinge of the headlands above the city; the place of the fault. An earthquake centered there could shake the city down, bring avalanche and tidal wave, close the cliffs of the bay together like hands clapping. Dulse shivered, shuddered all over like the water of the pool..When (in the year 440, by Hardic count) Erreth-Akbe came to make peace between the Archipelago and the Kargad Lands, bearing the Bond Ring as pledge of his king's sincerity, he came to Hupun as the capital of the Kargad Empire and treated with King Thoreg as its ruler..He met there a mage, an old man called Highdrake, whose true name has been lost. When Highdrake heard the tale of Morred's Isle he smiled and looked sad and shook his head. "Not here," he said. "Not this. The Lords of Pendor are good men. They remember the kings. They don't seek war or plunder. But they send their sons west dragon hunting. In sport. As if the dragons of the West Reach were ducks or geese for the killing! No good will come of that.".She stared. "But I thought you'd tell it to me - the password.".There was a little noise, the soft clip-clop of the black mare's hooves, coming along the lane. Then Dragonfly came back to herself and called to Ivory and ran down the hill to meet him. "I will go," she said.. "You don't look like a man," he said. Her face fell. "Not to me.
