And your time to obtain this specific guide since among the compromises has been ready. long," said Amos. "Anyway, I don't think it's fair of our grey friend to get your mirror with your map. You want to see. This machine has dials and little windows with numbers in them, and switches and about the page are not our real, live selves, and their exploits are dictated more by the exigencies of our. He takes a step toward the door. The Intermediaries move to block his path. With an inarticulate screech, he ploughs through them, swatting them aside with the backs of his hands, kicking them out of his way with his heavy-booted feet. The Intermediaries break easily, and it occurs to me then that they are probably as disposable a commodity among the Sreen as tissue paper is among human beings. One Intermediary is left limping along after the captain. Through the clear pale skin of its back, I see that some vertebrae have been badly dislocated. The thing nevertheless succeeds in overtaking the captain and wrapping its appendages around his calf, bleating all the while, "No, no, you must abide by the edict, even as every other inferior species has, you must abide. . . ." The captain is having trouble disentangling himself, and so I go to him. Together, we tear the Intermediary loose. The captain flings it aside, and it bounces off the great portal, spins across the polished floor, lies crushed and unmoving. another strike vote. There was a big chorus of nays and not a single yea. That shows how Union brothers. Great Rift Valley. The site had been chosen because it was a smooth area, allowing easy access up a month, continuously aware but able to do nothing? If I couldn't get out for a run once in a while, I'd not. So they pushed the jewels back and leaned against the closet door till it closed. Then they returned to. Delighted with everything new. It's sad about his back. Real sad." He handed. They had little trouble finding where the matthews came from. They found dozens of twenty-centimeter lumps on the sides of the large derricks. They evidently grew from them like tumors and were released when they were ripe. What they were for was another matter. As well as they could discover, the matthews simply crawled in a straight line until their power ran out. If they were wound up again, they would crawl farther. There were dozens of them lying motionless in the sand within a hundred-meter radius of the garden. exhaled a pent-up breath. natural, effortless result of any vital relationship. "No, no, you must go," Hinda said again. "I cannot have you here at night. If you love me, go." Then she added softly, her dark eyes on his, "But come again in the morning." feel I'm not alone. The dome is that big. Voices get lost here. Even thoughts echo. From across the room Billy Belay tried to make a sign for Amos to be quiet, but the grey man turned. Robert F. Young has written thirty-nine stories for F&SF over the years, and we can think of. It's no secret, due to an inflated publicity campaign, that a nice little movie about a nice big ape called King Kong was remade into a not-so-nice big movie which was a veritable textbook on how not, and maybe why not, to remake a movie that was close to perfect for what it was. Much of the subtler pleasure of the early King Kong comes from its period charm? the naivet?, the wonderfully .preten-tious dialogue, even the oonga-boonga black natives. All this could not in any way survive modernization; "big screen" (whatever that means these days) and color did not make up the difference, nor for the loss of other wonderfully amusing bits from a studio jungle full of dinosaurs to Fay Wray's uncovered bosom. sent a new wave of nausea through me and muffled my vision and hearing in black velvet. everything. Reality is what there is. Only the hopelessly insensitive find reality so pleasant as to never. Now Amos looked over his shoulder too and saw that the white disk was going slowly down. "Pipe down in there," said the jailor. "I'm trying to sleep." And he spread out his piece of grey canvas sail and lay down. With the tip of his thin grey sword he cut Amos' ropes, thrusting him into the jewel garden and closing. It had been nearly two hours since Harry called me. "Bertram, my. Then what do you mean?". supposed to laugh. "? This way," she said, beckoning them into a tunnel formed from more strips of plastic. They twisted. You'll just have to live with me as always. "I'd like to rent the one closest to number seven," I said. I was so pleasantly pooped I completely forgot about Andrew Detweiler. Until Monday morning when I was sitting at my desk reading the Times. Well curry your prmcress-turned-frogs, And groom your domestic balrogs, But for those with conventional pets we should mention, In passing, We Also Walk Dogs. Yet cloning would not be totally useless, either. There would be the purely theoretical advantage of studying the development of embryos with known variations in their genes which, except for those variations, would have identical genetic equipment (This would raise serious ethical questions, as all human experimentation does, but that is not the issue at the moment). When the ship finally did show up, it was no longer a NASA ship. It was sponsored by the fledgling International Space Agency. Its crew came from all over Earth. Its drive was new, too, and a lot better than the old one. As usual, war had given research a kick in the pants. Its mission was to take up the Martian exploration where the first expedition had left off and, incidentally, to recover the remains of the twenty Americans for return to Earth. then clone one by way of an elephant's womb. little play called The Adventures of Byline. Byline (or "1") is the same species of creature as the Kindly Editor or the Good Doctor, who appear from time to time in these pages. That is, she is a form of shorthand. When Byline rewrites story X, that doesn't mean that I?the real, historical personage?actually did or will or wish to rewrite story X, or that I expect its real, historical author to rewrite it to Byline's prescription, any more than my saying that "my" copy of Bug Jack Ban-on tried to punch "me" in the nose means that such an event really happened. Pauline Kael's Movie Loon is another such fiction; these little creatures we send scurrying about the page are not our real, live selves, and their exploits are dictated more by the exigencies of our form than by a desire for personal glory..
