Venerate moved up to Admiral..afternoon the Company had refused to budge from its original offer of a flat five-percent raise and that.Science fiction is a small country which for years has maintained a protective standards-tariff to encourage native manufactures. Many readers are, in fact, unacquainted with the general canon of English literature or the standards of criticism outside our own small field. Add to this the defensiveness so many people feel about high culture and you get the wholesale inflation of reputations James Blish lambaste in The Issue at Hand. Like him, I believe that somebody has to stop handing out stars and kisses: If "great writer" means Charles Dickens or Virginia Woolf (not to mention William Shakespeare), then it does not mean C. S. Lewis or J. R. R. Tolkien, about whom the most generous consensus of mainstream critical opinion is that they are good, interesting, minor authors. And so on..He whistled his animals to him and left the clearing as swiftly as he had come..tacked it to the door with his knife.
