The intention was to provide a focal point that the Chironians would recognize and respond to for opening diplomatic channels. Unfortunately, the natives paid no attention to it, and after two days of sitting at his desk with nothing to do, Avery Farnhill pleaded with Kalens for approval to send out snatch squads from his contingent of SD guards to bring in likely candidates to talk to him. Kalens could only partly concur since he was under strict instructions from Wellesley. "If you can persuade them, then do it," he replied over the communications link from the Mayflower IL "A calculated degree of intimidation is acceptable, but on no account are they to use force. I don't like it either, Avery, but I'm afraid we'll have to live with the plan for the time being..".Pernak half raised a hand, and his plastic features molded themselves into a more intense expression. "We've talked on and off about society going through phase-changes that trigger whole new epochs of social evolution," he said. "Well, that's exactly what's happened down there. "Scribe", Wellesley said in a still angry voice to the computer recording the proceedings. "Delete the statement about an offensive response and everything following it." Standing at the counter in the near dark, pouring coffee with the care of a blind woman, Micky said, "So. anger, Micky realized that only silence and retreat made sense. Rocking knee to knee in the prickly. in their own home, even if their home is on wheels. The dog seems reluctant to move, as though trouble lurks in every direction. His tail lowers further, Bernard stared at her for a moment longer, then nodded and looked at the communications operator sitting by Celia. "Can you get Admiral Slessor on line here?" The operator nodded and sat forward to begin entering a code. He started to grin automatically. "That's a nice thought, ma'am, but we're under orders and have to stay here. We appreciate it though." And then he frowned. It was happening again. She knew damn well they had to stay there. "And their idea was that Snow White? she ought to look virginal. I don't know why." "A good try, Wellesley," Stern said from the large screen. "In fact I find myself forced to commend you for your surprising resourcefulness. Unfortunately from your point of view, however, we now see it was in vain." He turned his eyes away to address a point off-screen, presumably a display showing Otto and Chester. "And unfortunately from your point of view, I'm afraid that we deduced the secret of the Kuan-yin a long time ago." something we know. The misery is comfortable. wealth of vipers, all schooled in the knowledge of darkness, well practiced in deception. "I guess you have to learn moderation in this place," Stanislaw remarked, studying his half-emptied glass of dark, frothy Chironian beer. He shook his head slowly. "You know, this sounds crazy but sometimes I wish they would make us pay for it." self-destructive, or whether she would be able to pull her life out of the fire into which she herself had. Instrument of nostalgia, scented with desert fragrances that remind the boy of home, the breeze is also a. "That's true," Bernard agreed. "But the risk of Stern trying anything with those weapons has to be greater if he thinks he can blackmail a defenseless planet, If he knew what he was up against-you don't have to give him every detail-it might be enough to persuade him to give it up. That's all we're asking. For the sake of those people up there, you owe it to spell out a warning, clearly and unambiguously." "Tell the men to stand down," he said quietly to Jarvis. "Deprime the intruder systems and revert the lock to condition green. Move everybody forward to the outer lock and deploy to secure against attack from the Battle Module. Charez, get those men down there inside. We're going to need all the help we can get." With that he turned and strode out of the observation room to descend to the lock below. A thieving cloud pocketed the silver-coin moon. At the western horizon, us the last livid blister of light. "That's right. I don't own a gun." Geneva's sudden smile was more radiant than the candlelight. "Now. particular specimen happened to be ambitious, if it always gave that extra ten percent, like the hero of. Fifteen minutes later, inside an office that opened onto a passageway to the rear lobby of the Communication Center, an indignant office manager and two terrified female clerks were sifting on the floor with their hands clasped on the top of their heads, under the watchful eye of one of the soldiers who had burst in suddenly brandishing rifles and assault cannon. "What do you think you're trying to do?" the manager asked in a voice that was part nervousness and part trepidation. "We don't want to get mixed up in any of this." And then Jay, who had been looking from one to the other, walked back to his father and started to talk persuasively in a low voice. Bernard hesitated, looked across at Colman again, and then took a deep breath and came haltingly across with lay beside him. "It's been a long time," he mumbled. His eyes wandered away and then came back to look Colman directly in the face. "Look, Steve, about that time up on the ship in the pump bay. I, er... I--". She'd been a frightened, angry, and humiliated girl, panicked into flight. She would not ever be that. "Yeah, well, one day I'll be so top-heavy I'll have to carry a sack of cement on my back for balance." Sincerely, he said, "Damn, you would have been a funny Minnie." "You're probably just like my dad.
