"It seems that as individuals we can only stand by as helpless observers and watch the events that are sweeping us onward collectively. The situation is complicated further by the emergence and rapid economic and military growth of the-Chinese-Japanese Co-Prosperity Sphere, which threatens to confront Moscow with an unassailable power bloc should it come to align with ourselves and the Europeans. More than a few Kremlin analysts must see their least risky gamble as a final resolution with the West now, before such an alliance has time to consolidate. In other words, it would not be untrue to say that the future of the human race has never' been at greater risk than it is at this moment."."See?" she said. "Cinderella B. Johnson. It was my mother's idea. My mother had a really weird sense of humor sometimes. She's dead now, though. Do you like it?".Her goldstone eyes widened in disbelief. "Architecture?".The stories in this book cover the period from our November 1976 issue through the middle of 1979, a period of great growth in the science fiction field, at least in terms of numbers. If you're the sort who likes to sniff the air for trends, you may have detected a smell of old attics, as much sf seemed to swing back to traditional, even old-fashioned themes and forms. Compare 2001 to Star Wars.. "I can almost feel the weight of those diamonds and emeralds and gold and pearls right now," said Amos..Selene went on exercising. "She won't ask.
