I want to see the Mountain.".When he was Gelluk's prentice and assistant, he had encouraged his master in the study of the lore of Way, finding himself free while Gelluk was off doting on his quicksilver. But Gelluk's abrupt fate had shaken him. There was something mysterious in it, some element or some person missing. Summoning the useful Hound to help him, Early had made a very thorough inquiry into what happened. Where Gelluk was, of course, was no mystery. Hound had tracked him straight to a scar in a hillside, and said he was buried deep under there. Early had no wish to exhume him. But the boy who had been with him, Hound could not track: could not say whether he was under that hill with Gelluk, or had got clean away. He had left no spell traces as the mage did, said Hound, and it had rained very hard all the night after, and when Hound thought he had found the boy's tracks, they were a woman's; and she was dead..never seen wild swine in the wood, she saw their tracks here. Not paying attention. But all.He had no thought of hiding or protecting himself. Luckily for him there were no guards about;.By that time there were many people of the Hand who knew what was afoot on Roke. Young people came there sent by them. Men and women came to be taught and to teach. Many of these had a hard time getting there, for the spells that hid the island were stronger than ever, making it seem only a cloud, or a reef among the breakers; and the Roke wind blew, which kept any ship from Thwil Bay unless there was a sorcerer aboard who knew how to turn that wind. Still they came, and as the years went on a larger house was needed for the school than any in Thwil Town..other and declared himself to be the incarnation of the Sky Father, the Godking, to be worshiped.startled gaze, saw him question the Doorkeeper, low-voiced, intense..It's not just beneath them --".THE ISLAND OF SEMEL lies north and west across the Pelnish Sea from Havnor, south and west of the Enlades. Though it is one of the great isles of the Earthsea Archipelago, there aren't many stories from Semel. Enlad has its glorious history, and Havnor its wealth, and Paln its ill repute, but Semel has only cattle and sheep, forests and little towns, and the great silent volcano called Andanden standing over all."You can't walk all night.".As he came down the last slope of the mountain, he had seen houses here and there out in the marshlands, a village not far away. He had thought he was on the way to the village, but had taken a wrong turning somewhere. Tall reeds rose up close beside the paths, so that if a light shone anywhere he could not see it. Water chuckled softly somewhere near his feet. He had used up his shoes walking round Andanden on the cruel roads of black lava. The soles were worn right through, and his feet ached with the icy damp of the marsh paths..This is called Ath's House," she said..control, was to ask him. Semiconscious, I began to scratch.Next day he had Licky send him the boy. He looked forward to seeing him, to being kind to him, teaching him, petting him a bit as he had done yesterday. He sat down with him in the sun. Gelluk was fond of children and animals. He liked all beautiful things. It was pleasant to have a young creature about. Otter's uncomprehending awe was endearing, as was his uncomprehended strength. Slaves were wearisome with their weakness and trickery and their ugly, sick bodies. Of course Otter was his slave, but the boy need not know it.

They could be teacher and prentice. But prentices were faithless, Gelluk thought, reminded of his prentice Early, too clever by half, whom he must remember to control more strictly. Father and son, that's what he and Otter could be. He would have the boy call him Father. He recalled that he had intended to find out his true name. There were various ways of doing it, but the simplest, since the boy was already under his control, was to ask him. "What is your name?" he said, watching Otter intently.. "So we must follow her?" the Herbal asked..in what they knew. But Hound knew pretty surely that his prisoner was concealing his talents.. "Back that way," said the taverner..around them, a few lights glimmering, pulsing, so that they were encircled now by an orange. The last beans had got big and coarse on the vines; the cabbages were thriving. Three hens came clucking and pecking around the dusty dooryard, a red, a brown, a white; a grey hen was setting her clutch in the henhouse. There were no chicks, and no sign of the cock, the King, Heleth had called him. The king is dead, Ogion thought. Maybe a chick is hatching even now to take his place. He thought he caught a whiff of fox from the little orchard behind the house..her at all. She turned round and went back to the streambank by the little falls.
