Now it befell that a certain man of corrupt purpose (78) found a way to the perversion of the truth and a means of glozing over falsehood and adorning it with a semblance of fair-seeming and there proceeded from him that wherewith the hearts of the folk were occupied, and their minds were corrupted by his lying tales; for that he made use of Indian subtleties and forged them into a proof for the denial of the Maker, the Creator, extolled be His might and exalted be He! Indeed, God is exalted and magnified above the speech of the deniers. He avouched that it is the planets (79) that order the affairs of all creatures and he set down twelve mansions to twelve signs [of the Zodiac] and made each sign thirty degrees, after the number of the days of the month, so that in twelve mansions there are three hundred and threescore [degrees], after the number of the days of the year; and he wrought a scheme, wherein he lied and was an infidel and denied [God]. Then he got possession of the king's mind and the enviers and haters aided him against the vizier and insinuated themselves into his favour and corrupted his counsel against the vizier, so that he suffered of him that which he suffered and he banished him and put him away..When three nights had passed over her with their days of the second month, she despaired of him and her tears dried not up. Then she resolved to take up her abode in the city and making choice of a dwelling, removed thither. The folk resorted to her from all parts, to sit with her and hearken to her speech and witness her good breeding; nor was it but a little while ere the king of the city died and the folk fell out concerning whom they should invest with the kingship after him, so that strife was like to betide between them. However, the men of judgment and understanding and the folk of experience counselled them to make the youth king who had lost his brother, for that they doubted not but Selma was a man. They all consented unto this and betaking themselves to Selma, proffered her the kingship. She refused, but they were instant with her, till she consented, saying in herself, 'My sole desire in [accepting] the kingship is [to find] my brother.' Then they seated her on the throne of the kingdom and set the crown on her head, whereupon she addressed herself to the business of administration and to the ordinance of the affairs of the people; and they rejoiced in her with the utmost joy..107. Abou Suweid and the Handsome Old Woman ccccxiii.So the highwayman took the saddle-bags and offered to kill the traveller, who said, "What is this? Thou hast no blood-feud against me, that should make my slaughter incumbent [on thee]. Quoth the other, "Needs must I slay thee;" whereupon the traveller dismounted from his horse and grovelled on the earth, beseeching the robber and speaking him fair. The latter hearkened not to his prayers, but cast him to the ground; whereupon the traveller [raised his eyes and seeing a francolin flying over him,] said, in his agony, "O francolin, bear witness that this man slayeth me unjustly and wickedly; for indeed I have given him all that was with me and besought him to let me go, for my children's sake; yet would he not consent unto this. But be thou witness against him, for God is not unmindful of that which is done of the oppressors." The highwayman paid no heed to this speech, but smote him and cut off his head.
