The man swung the bat viciously but clumsily. Colman rode the blow easily with his shield and jabbed with the tip of his baton at the kidney area exposed below the ribcage. His assailant staggered back with a scream of pain. Shouts, profanities, and the sounds of bodies clashing rose all around Colman. Something hard bounced off his helmet. Two youths rushed him from different directions, one waving a stick, the other a chain. Colman jumped to the side to bring the two in line for a split second's cover, feinted with his baton, then sent the first cannoning into the second with a shove from his shield with the full weight of his shoulder behind it, and both rioters went down into a heap. Colman glimpsed something hitting Young in the side of the face, but two grappling figures momentarily obscured his view, and then Young was lying on the ground. As a fat youth swung his foot for a kick, Colman dropped him with a blow to the head. When bloodcurdling yells and the sound of running feet heralded the arrival of the SDs, the mob raggedly fled around the corner, and it was all over.."Oh, Christ Warily, Colman brought a hand up to his brow. "Okay. Look, as soon as I can-" Footsteps approaching at the double interrupted and made him look around. It was Sergeant Armley, from the Orderly Room.."I keep a small stock reserved," Stern informed her. "It is from Earth-the Grande Champagne region of the Charante. Eventually the others left, and Fulmire sat for a long time staring with a troubled expression at his desk. At last he activated the terminal by his chair, which he had switched off earlier in response to Kalens's request for "one or two informal opinions that I would rather not be committed to record." "I told you yesterday. They shot like six hundred thousand volts of electricity through her head?". "Don't leave them at the post," Sirocco said. "Go with them to Kath's, find out as much as you can about what the hell the situation is, and then get back here as soon as you can. That way, maybe we'll be able to figure out what needs to be done."The theory opened up whole new realms, Pernak was beginning to appreciate as he sat back in his office to give his mind a rest from absorbing the information being presented on the wall screen opposite.
