For more than three centuries, no woman taught or studied at the school on Roke. During those centuries, wizardry was an honored art, conferring status and power, while witchery was an unclean and ignorant superstition, practiced by women, paid for by peasants..Among the Kargs the power of magic appears to be very rare as a native gift, perhaps because it was neglected or actively suppressed by their society and government. Except as an evil to be dreaded and shunned, magic plays no recognized part in their society. This inability or refusal to practice magic puts the Kargs at a disadvantage with the Archipelagans in almost every respect, which may explain why they have generally held themselves aloof from trade or any kind of interchange, other than piratical raids and invasions of the nearer islands of the South Reach and around the Gontish Sea..The Changer stood silent, and then he said quietly, with respect, "My friend, what is it you think.where Otter had taken Licky the first day he was there.
