Our masters in Orrimy are seeking such things, if you had. All the rumors of Roke had said that it was spell-defended and charm-hidden, invisible to ordinary eyes. If there were any spells woven about that hill or the bay he now saw opening before it, they were gossamer to him, transparent. Nothing blurred his eyes or challenged his will as he flew over the bay, over the little town and a half-finished building on the slope above it, to the top of the high green hill. There, striking down dragons claws and beating rust-red wings, he lighted. "Look at all the stuff you can do," she said. "You couldn't do any of it if you didn't have a gift." The witch Rose of our village, lord," she answered, standing straight, though her voice came out high-pitched and rough. A young man in a grey cloak hurrying down the passageway stopped short as he approached them. He. what they all wanted, and keeping his eyes from those clear eyes. He was a good teacher, the best. And yet Ember said to Medra, "We were our own undoing.". "No. It isn't the High Art. It isn't the True Speech. A wizard mustn't soil his lips with common. At last she moved, and kissed his cheek, and whispered, "I missed you, I missed you, I missed you. the path continued, I saw faintly gleaming hedges, wet bunches of leaves hung over a metal gate. "What if he doesn't want to drink?". The Lament for the White Enchanter. The island was drowned beneath the sea, and Elfarran with it. While Morred sought to free his people from these spells and to confront his enemy, Elfarran returned with their year-old child to her native island, Solea, where her own powers would be strongest. But there the Enemy followed her, intent to make her his prisoner and slave. She took refuge at the Springs of Ensa, where, with her knowledge of the Old Powers of the place, she could withstand the Enemy and force him off the island. "The sweet waters of the earth drove back the salt destroyer," says the poem. But as he fled, he

captured her brother Salan, who was sailing from Enlad to help her. Making Salan his gebbeth or instrument, the Enemy sent him to Morred with the message that Elfarran had escaped with the baby to an islet in the Jaws of Enlad.. He could not.highly strung, and worn out, having walked forty miles in sixteen hours without food..ignorant superstition, practiced by women, paid for by peasants..She sat on a while by the Thwilburn. She was troubled by what he had told her and by her thoughts and feelings in the Grove, and troubled that any thought or feeling could have troubled her there. She went to the house, set out her supper of smoked meat and bread and summer lettuce, and ate it without tasting it. She roamed restlessly back down he streambank to the water. It was very still and warm in the late dusk, only the largest stars burning through a milky overcast. She slipped off her sandals and put her feet in the water. It was cool, but veins of sunwarmth ran through it. She slid out of her clothes, the man's breeches and shirt that were all she had, and slipped naked into the water, feeling the push and stir of the current all along her body. She had never swum in the streams at Iria, and she had hated the sea, heaving grey and cold, but this quick water pleased her, tonight. She drifted and floated, her hands slipping over silken underwater rocks and her own silken flanks, her legs sliding through waterweeds. All trouble and restlessness washed away from her in the running of the water, and she floated in delight in the caress of the stream, gazing up at the white, soft fire of the stars..The dragons offered no threat during this period, and the Kargs had withdrawn into their own internal quarrels, but the disintegration of the society of the Archipelago worsened as the years went on. Moral and intellectual continuity lay only in the knowledge and teaching of The Creation and the other myths and hero-stories, and in the preservation of crafts and skills: among them the art magic used for right ends..awareness; the boy was trying some trick or other. Ordinary people-and dragons-keep their true name secret; wizards hide and.Erreth-Akbe, sailing into the bay "with sails worn transparent by the eastern winds," could not pause to "embrace his heart's brother or greet his home." Taking dragon form himself, he flew to battle with Orm over Mount Onn. "Flame and fire in the midnight air" could be seen from the palace in Havnor. They flew north, Erreth-Akbe in pursuit. Over the sea near Taon, Orm turned again and this time wounded the mage so that he had to come down to earth and take his own form. He came, with the dragon now following him, to the Old Island, Ea, the first land Segoy raised from the sea. On that sacred and powerful soil, he and Orm met. Ceasing their battle, they spoke as equals, agreeing to end the enmity of their races..Gift was in the dairy, having finished the evening milking. She was straining the milk and setting out the pans. "Mistress," said a voice at the door, and she thought it was the curer and said, "Just a minute while I finish this," and then turning saw a stranger and nearly dropped the pan. "Oh, you startled me!" she said. "What can I do for you, then?". "Everything. When I left -- don't take this in bad part -- a girl like you would not have
