He glanced.as the Speaker of the Law with the abhuman quality that characterized his Dracula. Now Burt Lancaster.Congreve paused, swept his eyes from one side of the room to the other, and raised his hands in resignation. "It seems that as individuals we can only stand by as helpless observers and watch the events that are sweeping us onward collectively. The situation is complicated further by the emergence and rapid economic and military growth of the-Chinese-Japanese Co-Prosperity Sphere, which threatens to confront Moscow with an unassailable power bloc should it come to align with ourselves and the Europeans. More than a few Kremlin analysts must see their least risky gamble as a final resolution with the West now, before such an alliance has time to consolidate. In other words, it would not be untrue to say that the future of the human race has never' been at greater risk than it is at this moment." ."Then I am die prince to save you," said Jack..Suddenly he was at the window, climbing out and dropping to the matted sward below. He ran across the clearing, through the trees and into the open space before the riverbank..201."I'm pretty sure he didn't. I asked him about it. Congreve's voice rumbled in a gravelly baritone from the speakers all around. He glanced from side to side to take in the whole of his audience. "I, ah--I almost didn't make it here at all." He paused, and the last whispers of conversation died away. "A sign in the hall outside says that the fossil display is in twelve-oh-three upstairs." The American Archeological Society was holding its annual convention in the Hilton complex that week. Congreve shrugged "I figured that had to be where I was supposed to go. Luckily I bumped into Matt on the way, and he got me back on the right track." A ripple of laughter wavered in the darkness, punctuated by a few shouts of protest from some of the tables. He waited for silence, then continued in a less flippant voice. "The first thing I have to do is thank everybody here, and all the NASDO people who couldn't be with us tonight, for inviting me. Also, of course, I have to express my sincere appreciation for this, and even more my appreciation for the sentiments that it signifies. Thank you--all of you." As he spoke, he gestured toward the eighteen-inch-long, silver and bronze replica of the as yet unnamed, untried SP3 star probe that stood on its teak base before Congreve's place at the main table..The Organizer had the minutes of the meeting Xeroxed and distributed them among the members.
